

## SUSSEX CONSERVATION DISTRICT

PREPARE. PROTECT. PRESERVE.

# Pipe Sales

The Sussex Conservation District offers pipe for sale at our Shortly Road, Georgetown, Delaware location. We stock HDPE poly from 12" to 60" in diameter and galvanized 12", 15", and 18" diameter pipes. We can custom order galvanized, aluminumized, and aluminum in lengths up to 60 ft. Elliptical pipes in the previous metals and any size concrete pipes are also available by special order. There is no delivery charge when pipes are installed by the Sussex Conservation District. Pipes may be picked up at the District yard or delivered for a nominal fee. Please contact the Sussex Conservation District for pricing and availability.
