Please call the office to apply for cost-share assistance. We will take your information over the phone.

All applications will be ranked based on severity of problem, actively maintained rights-of-way, invasive species, etc.

Application Process & Eligibility

Applications will be received at the Sussex Conservation District office located in the USDA Service Center at 21315 Berlin Road, Unit 4, Georgetown, Delaware from **June 13, 2022 through July 29, 2022**. **An estimate for proposed maintenance work is needed at time of application.** Once applications are received, they will be ranked and presented to the Board of Supervisors for approval. After approval, letters will be sent to every applicant notifying of approval or denial. If denied, the reason will be explained in the letter.

Requirements for eligibility:

- Because of COVID-19 restrictions, an annual meeting or officer discussion had to take place within the previous 24 months, and the minutes must be submitted to the Div. of Watershed Stewardship – Drainage Section by June 30, 2022.
- **An audited financial statement must be submitted to the Division of Watershed Stewardship – Drainage Section by JUNE 30, 2022. NOTICE NEW DEADLINE OF JUNE 30, 2022!**

Construction Process

Applicant has ten months to begin construction from the cost-share approval date with the possibility of one 30-day extension that must be granted by the District Coordinator. **Funds approved for projects not completed in 24 months will expire.**
