

PLANTING GREEN

SOIL HEALTH FIELD DAY

August 20, 2019

9 AM - 1 PM (Registration begins at 8:30)
30726 Ross Point Road in Laurel, DE

Manage your fields to boost organic matter & weed suppression:

- * Hear from farmers who are planting green in the field
- * Learn about soil health research updates
- * See different equipment & discuss setup options, including Dawn Equipment's ZRX Roller/Crimper

To register, visit sussexconservation.org/events
You can also call or email bobbi.heck@de.nacdnet.net
or (302) 856-3990 x3 by 8/15. This is a free workshop-
lunch is provided and CCA and NM CEUs are pending.
